

JOUVET COMA SCALE

Assessment of Consciousness: Perceptivity and Reactivity

1. PATIENT IDENTIFICATION

Patient Name: _____

Age / DOB: ____/____/____

MRN / ID: _____

Unit / Ward / Bed: _____

Surgery / Diagnosis: _____

Date / Time: ____/____/____ : ____

1. PERCEPTIVITY (CORTICAL FUNCTION)

Clinical Parameter	Options & Scoring Criteria	Score
P1 - Clear Consciousness Intact higher cognitive function	☐ Awake, fully oriented in time/place, obeys complex orders (1)	[]
P2 - Obnubilation Mild cognitive slowing	☐ Slow responses, difficulty with complex mental tasks, drowsiness (2)	[]
P3 - Stupor / Semicoma Marked mental obtundation	☐ Obeys simple commands only (open eyes, stick tongue out) (3)	[]
P4 - Agnosia / Vegetative Loss of cortical perception	☐ No comprehension of commands, reflex visual tracking only (4)	[]
P5 - Deep Coma Complete loss of perceptivity	☐ Total loss of conscious perception, no response to any command (5)	[]

2. REACTIVITY (SUBCORTICAL / BRAINSTEM)

Clinical Parameter	Options & Scoring Criteria	Score
R1 - Normal Reactivity Intact non-specific arousal	☐ Normal orienting reflex, spontaneous blinking, withdrawal to pain (1)	[]
R2 - Decreased Reactivity Sluggish arousal	☐ Sluggish reactions to auditory or painful stimuli, slow grimace (2)	[]
R3 - Motor Posturing Severe brainstem compression	☐ Extensor posturing (decerebrate) or abnormal flexion (decorticate) (3)	[]
R4 - Areactivity Brainstem failure	☐ Total absence of motor response to pain, bilateral fixed dilated pupils (4)	[]

TOTAL SCORE: [] POINTS (Maximum: Perceptivity (P1-P5) & Reactivity (R1-R4))

Assessor (RN / License #): _____

CLINICAL INTERPRETATION & RECOMMENDED NURSING ACTIONS

Conscious / Mild Alteration (P1-P2, R1)Intact brainstem reflexes, cortical slowing.
Regular neuro monitoring.**Moderate Impairment / Stupor (P3-P4, R1-R2)**Depressed consciousness. Protect airway,
urgent neuroimaging.**Deep Coma / Brainstem Failure (P5, R3-R4)**Severe coma. Mechanical ventilation, invasive
ICP monitoring, neurocritical ICU.

Registered Nurse (RN) Signature & Professional Stamp

Date & Time of Assessment
